Introduction

- Since 2022, Omros Foods has established itself as one of the top Food Processing and Preservation entities in Tanzania, an outstanding achievement which we are justifiably very proud of.
- Omros Foods measures its success by its ability to realize business opportunities with our partners. Extraordinary determination and passion and flair define us.
- As business continues to soar to greater heights, our brand reflects our beliefs that the sky is not the limit. As world-class professionals, we mix the best international practices with local market knowledge and expertise, seeking continuous process refinement.
- We thrive on new challenges and are fiercely protective of our market leadership. We truly have an exceptional team of highly experienced professionals. Each individual Commitment and dedication to being the best in the business drive us onward. Our People are our greatest asset and hope.
- Omros Foods is a Tanzanian-owned company that specializes in the processing of Meat and dry food products. with market shares in both the wholesale and retail spaces.

ABOUT US

- Omros Foods is a Tanzanian firm that specializes in the processing and preservation of food products with its main office at Dar es Salaam, Plot No.5, Block 41, Kinondoni Service Trade Area.
- Omros Foods was established by directors with extensive expertise in the wholesale food supply value chain. The management and technical staff at Omros Foods is well-versed in and enthusiastic about food safety and quality management systems.
- Omros Foods is a market leader in the production, processing, and preservation of food products like beef, poultry, cereal, and other food items.

OUR MISSION STATEMENT

To unlock the potential of African Agriculture through food processing, supporting and sourcing direct from both small and large-scale farmers, and actively investing in new markets while providing uncompromised quality of our products and upholding the highest standards of health and services.

VISION STATEMENT

Through our shared commitment to transform agriculture on the African continent, we are dedicated to creating market pull through large-scale food processing while transforming the lives of millions of Africans economically and socially while still being the supplier of choice for fresh and frozen meat, fishing and agricultural products in its selected market.

OUR CODE OF CONDUCT

We advocate superior service delivery, world-class standards of quality audits, and inspections.

- We operate within the law.
- We respect Human rights
- We act in the Group's interests
- We ensure state-of-the-art QSE management.
- We act responsibly

CUSTOMER CHALLENGES

- The wholesale food supply chain can experience wide variations, which have a substantial impact on the business ecosystem. We have had chats with many clients who, in the past, have had issues with convenience, quality, consistency, and a variety of other issues with their orders.
- Feedback from our clients have helped us, as a company, know where to put more effort to ensure that our clients don't go through the same experience again.

6. Quality Assurance

“

We are confident that our partner finds our company a dynamic and rewarding place to work, and we absolutely look forward to a productive and successful association. We consider our employees at Omros Foods to be one of our most important assets. We work hard on people's development, as we believe it is key to any business's success. We ensure all our teams are well trained and developed through several programs where they can reflect on their customer service and leadership skills. We ensure rewarding our high performers and setting career path goals to be achieved.

WHY OMROS FOODS ?

QUALITY ASSURANCE

The company has planned the necessary system to make sure that our products, process and services satisfy quality requirements.

COMPETITIVE PRICE

Our dedication to sourcing from all kinds of farmers allows us to maintain affordability without compromising the quality of our products.

TRACEABILITY

Every product you purchase from us can be tracked back to its source.

LATEST TECHNOLOGY

As a safety-oriented company, we utilize the existence of latest technology like using the cold room storages with temperature controlled to ensure that we preserve the optimal quality of our products. We also rely on renewable energy so that we can sustain our facilities without compromising our products. While doing packaging we also use technology like vacuum sealer to make sure that there's no air in our packages and because of that we are able to preserve the quality and the flavor, and our product gets to our client without being compromised.

CUSTOMER CENTRIC

Every aspect of our business from selection to packaging is designed with client satisfaction in mind, and because of that we have periodic client survey, and we are attentive to clients' expectations, situations and feedback since that helps us to shape the way we operate and how we serve our clients.

100% HALAL

Our commitment to providing top-notch products extends beyond taste and flavor. Our Halal certification reflects our unwavering dedication to delivering the highest quality products to our valued customers..
